PROFILE

Web Designer and Website Maintenance Specialist with a strong foundation in Tailwind CSS, Bootstrap5, and JavaScript technologies. Currently a final-year Software Engineering student at Daffodil International University with hands-on experience in designing, maintaining, and enhancing websites. Proven skills in data entry and Microsoft Office applications, paired with a commitment to delivering attractive and high-quality web solutions. Motivated by challenges, capable of working individually or as part of a team.

WORK EXPERIENCE

- Designed and developed responsive websites using Tailwind CSS and Bootstrap5, ensuring visual consistency and user-friendly interfaces.
- Conducted regular website maintenance and updates to improve functionality and user experience.
- Collaborated with clients to understand their requirements, translating them into effective web design solutions.
- Managed data entry tasks and utilized Excel for data visualization to track website performance metrics.
